ACTIVITY REPORT

Name of activity	: Online workshop on “Intellectual Property Rights (IPR) and Patents Design Filing”		Date: 14/05/2024	
Type of Activity	: Online workshop (Online & Offline Mode)			
Organizers	: Shreeyash Institute of Pharmaceutical Education and Research, Chh. Sambhajinagar			
Venue	: Dr. APJ Abdul Kalam Seminar Hall	No. of participants:	Students	Teachers
			155	08
Objective	: <ol style="list-style-type: none"> 1. Understanding IPR: Clarity on patents, copyrights, and trademarks. 2. Navigating Patent Filing: Learn submission process and essentials. 3. Empowering Innovation Protection: Tools for safeguarding inventions. 4. Ethical Awareness: Understand ethical innovation. 5. Inspiring Entrepreneurship: Role of IP in growth. 6. Practical Application: Identify patents, draft applications. 7. Facilitating Collaboration: Networking and mentorship. 8. Promoting Lifelong Learning: Stay updated on IP laws. 			
Activity Incharge	: Dr. Vishal Gurumukhi			
Description of Activity	: "Our students had the opportunity to enhance their understanding of Intellectual Property Rights (IPR) and Patents Design Filing through an engaging online workshop conducted by Dr. Bharat Suryawanshi from RGNIPM Nagpur, an esteemed IPR Training Institute under the Ministry of Commerce & Industry, Government of India. Dr. Suryawanshi, an Assistant Controller of Patents & Designs, shared valuable insights on the significance of IPR and the process of filing patents. This workshop, held on May 14th, 2024, provided our students with practical knowledge and skills crucial for navigating the world of intellectual property."			
Outcome/feedback	: Following the workshop on "Intellectual Property Rights (IPR) and Patents Design Filing" led by Dr. Bharat Suryawanshi, our students gained a deeper understanding of protecting their creative ideas and innovations. They learned about the importance of intellectual property rights and the process of patent design filing. Armed with this knowledge, our students are now better equipped to safeguard their inventions, ensuring their rightful recognition and potential commercialization. This workshop not only expanded their knowledge base but also empowered them to navigate the complexities of intellectual property with confidence and clarity, setting them on a path towards innovation and success.

ACTIVITY REPORT

Name of activity	: Online workshop on “ Development of Instrumentation Facilities for Emerging Scientist ”	Date: 15/04/2024	
Type of Activity	Guest Lecture		
Organizers	Shreeyash Institute of Pharmaceutical Education and Research, Chh. Sambhajinagar		
Venue	: Class Room No. 401	No. of participants:	
		Students	Teachers
		76	02
Objective	The objectives of the guest lecture on "Development of instrumentation facilities for Emerging Scientists" were to provide an overview of available instrumentation facilities, understand the specific needs of emerging scientists, emphasize the importance of instrumentation in research, explore strategies to improve access and availability, highlight the significance of training and skill development, showcase recent technology trends, share case studies and success stories, discuss networking and collaboration opportunities, provide insights into career development, and facilitate interactive Q&A sessions to deepen participants' understanding.		
Activity Incharge	Mr. Amol Lonarkar, Mr. Vinayak Mhaismale		
Description of Activity	"During his guest lecture on the 'Development of Instrumentation Facilities for Emerging Scientists' on April 15, 2024, Mr. Avinash Chaudhari, the founder of Oxy Servelife Laboratories Pvt. Ltd., provided priceless insights. Mr. Chaudhari enthralled our audience with his depth of industry expertise, practical guidance, and real-world examples. His fascinating discussion encouraged our young scientists to use these tools for their research endeavors while also illuminating the most recent developments in instrumentation. Our pupils felt motivated and eager to explore new horizons in scientific instrumentation after attending this insightful workshop."		
Outcome/feedback	"By attending this guest lecture, students feel more self-assured and energized. Now that they have gained Mr. Chaudhari's practical expertise and insights, they are more capable of navigating the complexity of scientific instruments. His knowledge and practical experiences encourage our aspiring scientists to push the limits of their respective professions' study and innovation. Our students curiosity and excitement have been sparked by Mr. Chaudhari's captivating talk, and this is leading them toward a future full of limitless opportunities for scientific inquiry."

Respected Sir,

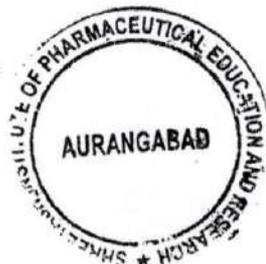

We are pleased to introduce ourselves as a growing institute in the field of technical education and management studies. **Shreeyash Technical Campus** is an ISO 9001:2015 certified institute. We are one of the leading groups of institutions of Aurangabad, offering education in the fields of **Pharmaceutical Education (PG, UG and Diploma course)** and have a track record of outstanding performances of its pass-outs in different spheres.

We are keen to organize Seminar at our organization for our students of academic year 2023-2024 on topic '**Expectations of Pharma Industries for Bridging the Gap in Between Academia- Industry**'. In the past, we have conducted similar lectures, in which several renowned experts have shared their valuable thoughts.

We look forward to your confirmation for this lecture. We would appreciate if you could send your kind consent for this lecture through mail.

Thanking you.

Subject: **LETTER OF APPRECIATION**

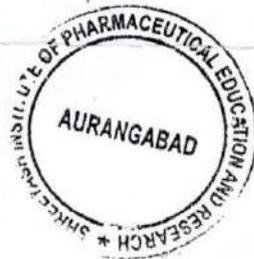

Respected sir,

Thank you very much for delivering informative and thought provoking lecture as Guest Speaker on "how to plan for start-up and legal and ethical steps" held on 10th June 2023 at Shreeyash Institute of Pharmaceutical Education and Research.

It was a splendid presentation which motivates the students to think out of the day to day work or study.

All the students appreciated and got motivated from your view on the subject.

Looking forward for your cooperation for the promotion of professional education in future as well.

Objective	The objective behind organizing the lecture was to enlighten the students about the theoretical and practical aspects of doing research at a Masters level.						
Activity Incharge	Dr. Mangesh S. Ghodke, Mr. Sachin Dhawale						
Description of Activity	The Guest Lecture on Research Methodology was organized for all the B. Pharm Final year and M. Pharm students. The guest lecture was scheduled and was presided over by Prof. Dr. Priti Jain who is currently serving as Associate Professor, School of Pharmaceutical Sciences, DPSRU, New Delhi. The speaker attached immense respect to the idea of research and explained how good research facilitates in the development of the society. The speaker also emphasized on the fact that good research should be socially relevant and of contemporary nature. The speaker further highlighted as to the attributes and duties of a critical scholar and how the same would affect the quality of research. The speaker also exemplified on the different types of research methods which includes Prognosis research, Creative research, Experimental research and Prescriptive research.						
Outcome/feedback	The students were extremely overwhelmed by the lecture delivered by Dr. Priti Jain as it would be very effective for their career and future work on research.

Encourage Future Projects: The talk inspired attendees to apply their newly acquired information and insights in their academic and professional endeavors. 5. Encourage Collaboration and Networking: The lecture promoted networking possibilities and encouraged participants to collaborate and exchange ideas by means of interactive conversations. 			
Activity Incharge	: Mr. Amol N. Lonarkar			
Description of Activity	: On January 30, 2023, L.B.Y.P. College of Pharmacy Assistant Professor Pranali P. Hatwar gave a fascinating session titled "Innovations and Insights in Pharmaceutical Sciences." Ms. Hatwar led participants through the ever-changing world of pharmaceutical developments with passion and knowledge. Participants were fully engaged in conversations that uncovered the most recent advancements and cutting-edge perspectives influencing the industry. Ms. Hatwar's seminar offered a forum for stimulating discussions that promoted a better comprehension and appreciation of the changing field of pharmaceutical research and development. After leaving the informative workshop, participants felt more inspired and knowledgeable about how they may further the field of pharmaceutical sciences.			
Outcome/feedback	: Participants in the guest lecture on "Innovations and Insights in Pharmaceutical Sciences" felt inspired and educated after listening to it. The participants' perspectives and knowledge base were expanded as they obtained a greater awareness of the most recent developments and developing trends in the sector. The audience members' enthusiasm for invention and discovery was sparked by the talk, which acted as a spark for future undertakings. The lecture promoted cooperation and idea sharing among attendees by providing interactive dialogues and networking opportunities. All things considered, attendees left the presentation feeling inspired and empowered to continue the advancement and innovation in the pharmaceutical sciences.

Description of Activity	<p>On August 9, 2022, L.B.Y.P College of Pharmacy Principal Dr. Gajanan Sanap conducted a fascinating seminar exploring the fascinating topic of "Trends and Advances in Nanotechnology and Pharmaceutical Sciences." Dr. Sanap led guests through recent discoveries with excitement and knowledge, examining how nanotechnology transformed drug delivery and customized medicine. Intimate conversations uncovered the cooperative synergy between drugs and nanotechnology, providing attendees with insightful knowledge about the direction of healthcare. The approachable platform of Dr. Sanap's lecture encouraged curiosity and knowledge of these domains' potentially revolutionary possibilities. Participants in the thought-provoking discussion imagined a time when cutting-edge technologies will boost treatment effectiveness and enhance global health outcomes.</p>			
Outcome / feedback	<p>Students attended seminar on "Trends and Advances in Nanotechnology and Pharmaceutical Sciences" and get energized and educated. Students obtained a greater comprehension of the innovative advancements in various domains, providing them with new perspectives on healthcare's future. Through an examination of current developments and cooperative prospects, attendees left with an energized passion for the revolutionary possibilities of nanotechnology in the pharmaceutical industry. A spirit of hope and expectation for a future in which cutting-edge technologies improve patient outcomes and treatment efficacy was generated by the seminar. All things considered, participants left the seminar with the knowledge and enthusiasm to further advance and innovate in the fields of pharmaceutical sciences and nanotechnology.</p>

Respected Sir,

We are pleased to introduce ourselves as a growing institute in the field of technical education and management studies. Shreeyash Technical Campus is an ISO 9001:2008 certified institute. We are one of the leading groups of institutions of Aurangabad, offering education in the fields of **Pharmaceutical Education (UG and Diploma course)** and have a track record of outstanding performances of its pass-outs in different spheres.

We are keen to organize guest lecture at our organization for our students of academic year 2021-2022 on topic '**Overview of Technology Transfer in Pharmaceutical Industry**'. In the past, we have conducted similar lectures, in which several renowned experts have shared their valuable thoughts.

We look forward to your confirmation for this lecture. We would appreciate if you could send your kind consent for this lecture through mail.

Thanking you.

Invitation Letter

To,
 Mr. Salil Pendse,
 Director,
 Salil Pendse & Associates,
 Strategic Management Consultancy,
 Aurangabad.

Respected Sir,

We are pleased to introduce ourselves as a growing institute in the field of technical education and management studies. Shreeyash Technical Campus, established in the year 2008, has cast an impression in the Technical & Management Education in Marathwada region. Shreeyash Technical Campus is an ISO 9001:2008 certified institute. We are one of the leading groups of institutions of Aurangabad, offering education in the fields of **Pharmaceutical** education and have a track record of outstanding performances of its pass-outs in different spheres.

We are keen to organize Seminar at our organization for our students of academic year 2021-2022 on topic ""**Designing a Pharma Carrier**". In the past, we have conducted similar seminars, in which several renowned experts have shared their valuable thoughts.

We look forward to your confirmation for this lecture.

Thanking you,

ACTIVITY REPORT

Name of activity	: Webinar on Scientific Writing Skill and design of Experiment in Pharmaceutical research	Date: 03/10/2021		
Type of Activity	Webinar			
Organizers	Shreeyash Institute of Pharmaceutical Education and Research, Aurangabad			
Venue	: Online Zoom platform	No. of participants:	Students 85	Teachers 06
Objective	To understand the organization of writing research paper. To develop skill of research writing. Students and faculty will get insights of manuscript preparation and how to prepare Research hypothesis and corresponding design of experiment.			
Activity Incharge	Minal Y. Chaudhari			
Description of Activity	As a part of co-curricular activity final year students must undergo project work in their final year. For that they have to select topic according to domain given to them. After completion of the project they have to publish that work in reputed National or International journal, for those students should have the knowledge of manuscript writing. So scientific writing is essential. So this webinar was organized for B. Pharm Final year students. The guest of speaker was Dr. Ashish Bharne, Senior Associate – Scientific Writing, Indegene Pvt. Ltd, Bengaluru who delivered nice presentation by which students come to know the basics of scientific writing skill.			
Outcome/feedback	Students got deep Knowledge related to the topic and now they will be able to apply this information in their research activities.
